Rules for Art for Research

Cardiff 2022

Theme: DISCOVERY AND INVENTION

Things we take for granted were once unknown or created as great inventions. Penicillin was discovered accidentally and became the first antibiotic to treat infections. The creation of the bicycle, football or TV are now in our daily life. An invention that changed the world was the light bulb and now, every night our planet glows in the dark. **We invite you to make a piece of art about one of these wonders and look forward to seeing your pictures and the stories behind them.** You can also create a drawing/painting of something you discovered for yourself in a hidden part of your garden or an idea that nobody has thought about.

Six age groups

-  Reception to year 2
-  Years 3 to 4
-  Years 5 to 6
-  Years 7 to 9
-  Years 10 to 11
-  Years 12 to 13

Your Artwork should be:

-  A2 (maximum size), A3 or A4 (no bulky collage). Please note that we recommend rectangular sized and good quality paper (not A4 printer paper) as these photograph and reproduce much better for postcards and canvases.
-  **Painting, drawing, mixed media, printing** but not photography, video or 3D work.
-  Pictures should not be mounted.
